ABOUT WENATCHEE

Wenatchee is a community of over 35,000 people located in sunny, north central Washington.

The Parks, Recreation and Cultural Services Department operates a park system which includes: 23 park areas totaling over 1,100 acres with trails, skate parks, 50 meter outdoor swimming pool, cemetery, off leash area and other park amenities. We also maintain the public art collection and coordinate a variety of recreation programs.

The department is staffed by 18 FTE employees and up to 50 temporary recreation leaders, lifeguards and park maintenance staff.

2022 will be a busy year for us as we will be completing several large acquisition and construction projects; coordinating community events, arts and recreation programs; maintaining our art collection and designing new art installations, and relocating our department offices to the new City Hall.
